O R D E R:

In the Application 2nd read above, M/s Ananda Aqua Exports Pvt. Ltd., Dirusumarru (v), Bhimavaram Mandal has requested to renewal of water drawl permission to draw 60 KLD of the water from Yanamadurru channel at km 4.688 LB, West Godavari District, which was expired on 09.12.2020.

2. In the letter 3rd read above, based on the report of the Chief Engineer Godavari Delta System, the Engineer-in-Chief (Irrigation), Vijayawada has recommended the proposal to Government to issue necessary orders for according renewal permission to M/s Ananda Aqua Exports Pvt Ltd., Dirusumarru (V), Bhimavaram Mandal, West Godavari District for drawl of 60 KLD of the water from Yanamadduru channel for Industrial purpose for a further period of Ten (10) years from the date of expiry i.e. with effect from **10-12-2020 to 09-12-2030,** subject to the following terms and conditions:

1. The Water can be spared subject to the availability of water in the Yanamadurru Channel. The point of drawl should be as fixed by the Department.
2. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.
3. Digital water meters or suitable measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the users shall be present at all times of inspection. The water meter shall be periodically calibrated

Contd.P2

and kept sealed. The period of calibration will be specified by the Department.

4. The Industry should pay the water rate/royalty charges at the existing rate as fixed by the Government. The water royalty charges may be revised by the Government from time to time and the Industry shall have to pay the revised water rates as fixed by the Government from time to time. In case of failure to pay water rate/ royalty charges as fixed by the Government, the permission to draw water shall stands cancelled.
5. The industry shall obtain the prior concurrence from concerned Departments for laying of pipe lines and crossings etc., where ever necessary.
6. No field bodhi or pipeline shall be taken through or along with Government land without approval from the Government and if permission accorded by the Government, the lease amount should be paid by the Industry as fixed by the Government only.
7. The industry should make their own arrangements to dispose the treated effluents as per norms of AP Pollution control board in their premises only and should obtain prior permission if any needed from the Government to dispose treated effluents in the natural resources. Necessary clearance from the AP Pollution control board is to be obtained in this regard by the firm before drawl of water from source.
8. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
9. The Water Resources Department is no way responsible for non-supply of water due to any reasons.
10. The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize the Government land for installation of pump house, necessary permissions are to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the Industry.
11. The industry must strengthen the canal/channel margin on either side of the proposed off take point to avoid erosion of bank and to protect the existing canal/channel margins as directed by the Department.
12. The Industry has to construct CC Walls to avoid leakage at pipeline crossings.
13. The water drawn from the Source should be utilized for the purpose for which permission is granted.
14. The Industry should follow the Revenue Board standing orders.
15. The Industry should pay security deposit at 5% on water Charges for which permission is granted.
16. The industry shall pay one year water charges as advance and any amount due to the Department before entering into agreement.
17. The Industry has to conclude the agreement with the officers concerned of the water resources Department.

Contd.P3

18. The industry should make its own arrangements at their own cost for sufficient storage of water during non-supply period.
19. The industry has to pay water charges for the estimated quantity in advance at the start of the financial year i.,e before 10th April of every year as per BSO.
20. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Department.
21. The Proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights (URR) in any manner.
22. The Department is no way responsible for any damages that may occur to the off take point and pump house during floods or an account of any other reasons.
23. The permission does not confer any riparian rights to the industry.
24. The firm has to produce the relevant records for departmental verification at the end of each quarter periodically.
25. The concerned Executive Engineer will be responsible for enforcing the conditions.
26. The water drawn from the canal should be utilized for the purpose for which permission is granted. Any misuse on this account shall entail cancellation of the permission without any notice and liable for imposition of penalty.
27. The industry shall obtain approval for the designs and drawings of the pump house and pipelines from the concerned Department, and the approved designs and drawings shall be submitted to this office.
28. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the Department.
29. The renewal of permission now accorded shall be **for a period of 10 years**. The permission shall have to be renewed again well in advance i.e., at least three months before expiry of this permission.
30. The Industry shall pay water charges as per Government of Andhra Pradesh, Water Resources(Reforms) Department, Memo No.2772/Reforms/A2/2015-1, Dated:30.09.2025 at the rate of 5.50 per 1000 gallons or at the revised rates fixed by the Government from time to time as the water is utilized for consumptive use.
31. The Department is not responsible for any dispute that arises with neighboring industries and public and any legal matters.
32. The Industry should not create any objection for improvement/ Modernization works to the said Channel at the said chainage in future, and Industry have to relocate the pumps/off take point if necessary, with their own cost.
33. The annual requirement of water can be spared from the Yanamadurru Channel. No more drawl shall be permitted, Priority shall be given to Drinking water & Irrigation, when channel receives lean flows.
34. The industry should abide by any other conditions laid by the Department at later date.

Contd.P4

35. Non adherence to any of the above condition by the Industry will entail cancellation of the permission.
36. The industry should not discharge any untreated water/wastes into the drain.

3. After careful examination of the matter, Government hereby accord renewal of permission to M/s Ananda Aqua Exports Pvt.Ltd., Dirusumarru (V) Bhimavaram Mandal, West Godavari District for drawl of 60 KLD of the water from Yanamadduru channel for Industrial purpose for a further period of Ten (10) years from the date of expiry i.e. with effect from **10-12-2020 to 09-12-2030**, subject to the terms and conditions as mentioned at para-2 above.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer Godavari Delta System, Dowalaiswaram and the Collector & District Magistrate of West Godavari District shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
